	Key Information	Details
1	Who can have an account	You need to be at least 18 years old and a UK resident to open an account.
		You can hold the account in your own name, or as a joint account with one other person.
		The total balance of all savings accounts you hold with us must not exceed £250,000 plus any interest paid.
2	Interest rate	We set out the interest rate in the Summary Box we gave you when you applied for the account.
		The interest rate we pay on the account is variable.
3	Paying money into your account	You can hold between £1,000 and £250,000 in the account (excluding interest).
		You can pay in money by sending an electronic payment from the account you identified to us for the purpose of making payments in and out of this account.
		The account you identified is called your ‘nominated account’ . It is the only account we can receive payments from.
		If any payment into this account would take you over the £250,000 maximum balance, we’ll reject the whole payment. We’ll return the rejected payment to your nominated account.
